

CAPABILITY STATEMENT

About Us

Texas Twister Mobile Blasting is a mobile abrasive blasting service that provides professional and efficient surface preparation and cleaning solutions across federal contracts. Our company offers a wide range of blasting services, including dustless blasting, soda blasting, and sandblasting, to effectively remove paint, rust, corrosion, and other surface contaminants from various materials.

With years of experience in the industry, our team consists of highly trained and skilled technicians who use state-of-the-art blasting equipment and techniques to deliver exceptional results. We understand the unique requirements and regulations associated with federal contracts, and we ensure strict adherence to all safety and environmental standards.

Our Services

Automotive

We're able to perform surface preparation, removing paint and rust from your car without causing further damage compared to traditional sanding or grinding.

Residential

We offer graffiti removal, brick and wood restoration, pool stripping to be repainted and more.

Industrial

We can help remove rust, industrial-strength coating, old paint, and trailers stripped to be repainted, restoring any surface to a new clean slate!

Marine

Maintaining the upkeep of your boat to ensure its best performance and appearance wise.

NAICS Codes
